

THE EYE ON ALBERTA

A public opinion monitor of Alberta's
business, politics and society

THINKHQ PUBLIC AFFAIRS INC.

is pleased to introduce Alberta's only public opinion monitor for public & government relations professionals.

A MUST HAVE for any public affairs decision-maker, [The Eye on Alberta](#) provides a timely, accurate and independent reading of Albertans' views on the most pressing and topical issues facing the province today and those that will face the province tomorrow.

8 EDITIONS ANNUALLY

The retail value of the public opinion research contained in *The Eye on Alberta* is over \$250,000 per year.

Your subscription provides you with access to information and insights only available through this syndicated report.

Each month, we design and conduct scientific opinion surveys with Albertans. We choose the topics and the questions, and provide insightful analysis and context to our clients and subscribers.
