

EDMONTON CENTRE VOTE INTENTION

"In the upcoming federal election on October 19th, which candidate are you most likely to support?
Are you leaning towards a particular candidate or party?"

METHODOLOGY

- Results drawn from a random sample of 517 Edmonton Centre residents, via IVR telephone interviews conducted October 14 & 15, 2015. Sample included a mixture of landlines and cell phones
- Results have been weighted by age and gender based upon Statistics Canada Census data. With a sample this size, results are considered accurate within +/- 4.3 percentage points, 19 times out of 20
